

For Immediate Release

MARANTZ TO INTEGRATE SPOTIFY IN NEW AND UPCOMING PRODUCTS, OFFERS FREE SPOTIFY FIRMWARE UPDATE FOR OWNERS OF FOUR EXISTING RECEIVERS

-- With Seamless Integration of Spotify Marantz Owners Will Be Able to Access Millions of Songs, Either Through Their Receiver or Using Marantz Remote App via Smartphone --

Mahwah, NJ, September 5, 2012 — Marantz®, a world renowned leader in advanced audio technologies, today announced that it has partnered with Spotify to incorporate the award-winning digital music service in new and upcoming products, including the new **AV7701 Pre Processor** (\$1,699.99). In addition, the company is offering a free firmware update for owners of four of its current high-performance receivers, including the **SR7007** (\$1,799.99), **SR6007** (SRP: \$1,199.99) **SR5007** (SRP: \$849.99), and **NR1603** (SRP: \$649.99). Owners of these four models will be able to obtain the Spotify Firmware update beginning immediately. Owners of these receivers with a Spotify Premium subscription will now be able to enjoy a more personalized and wider-ranging music listening experience, bringing a nearly unlimited number of songs into their homes. All four receivers also provide access to popular content sources including Sirius XM, vTuner Internet radio and Pandora*.

Marantz Owners Will Have Access to Huge Spotify Music Library

Thanks to Marantz's new alliance with Spotify, owners of the company's receivers and other advanced products will have direct access to the popular service's over 18 million music tracks, all available for streaming. Notably, Spotify delivers most of its Premium music content at a high-quality 320 Kbps bitrate, delivering the highest quality high-fidelity listening experience.

Making the Connection to More Content, Quickly and Easily

Marantz makes it a priority in all of its advanced products to help consumers make the connection to all their favorite content quickly and easily. The incorporation of Spotify in its new and upcoming products, as well as through the free firmware update for the four existing

receivers, reflects Marantz' commitment to allow people to integrate more of their favorite content into their lives. Music lovers everywhere already enjoy a vast library of music through their PCs and mobile devices on Spotify. With Spotify, Marantz customers will now have a simple and seamless way to enhance and expand their home networks.
